Special made products

Position	pieces	meter	st/rrup type	steel-φ (mm)	stirrup centres distance (cm)	stirrup width (cm)	h1/h2 (cm)	lü1/lü2 (cm)	v / v1 (cm)	Box thickness (cm)	Box width (cm)	Box length (cm)	comments / others

Attention: For types E, F, G, H, K, L, and O may vary by +- 2 cm due to production and installation dimensions "h" and "lü" !
 This can be prevented by using a "location security strip", which must be requested always separately !
